# Installing Rhinoceros 8 on macOS Sonoma (14.0)

You can download Rhino 8 from <https://www.rhino3d.com/>

## Before you begin

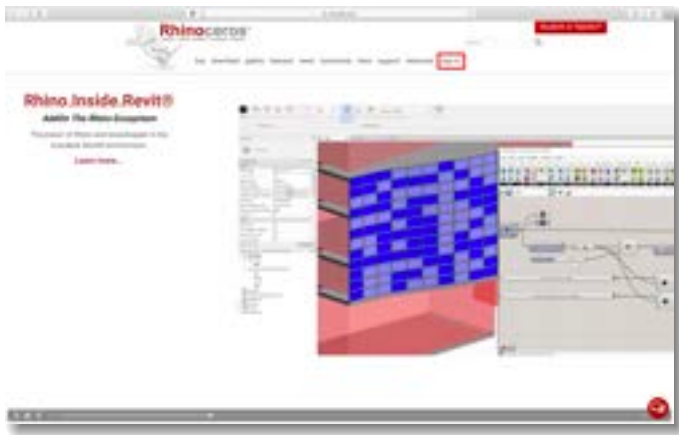

The following instructions are supported by TU Delft and have been tested to be working. We are offering this manual to you as an extra service. In the event you have a different configuration or version of the OS to the one described here and you have problems, we advise you to contact your nearest Student IT Desk or the ICT Service Desk.

## Contents

- Obtaining license through TU Delft
- Installing Rhino 8

### TU Delft License

**Step 01:** Go to <https://www.rhino3d.com/> and click on **Sign in**.

**Step 02:** Click on **Login or Create a Rhino Account**.

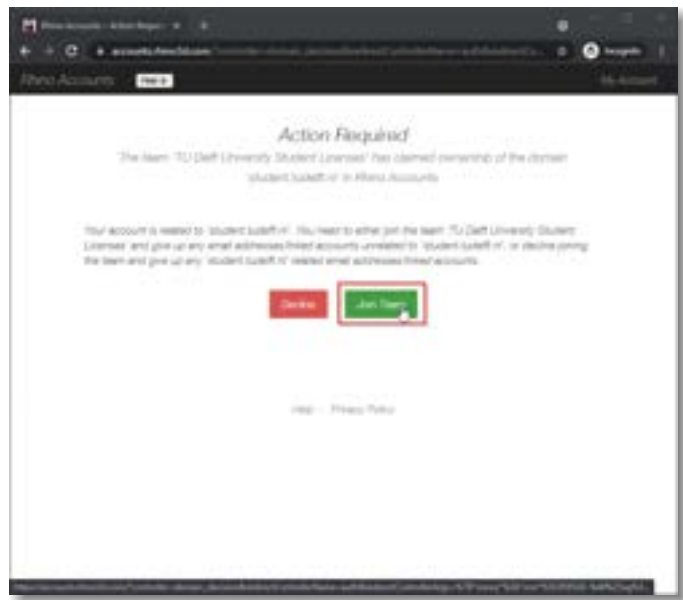

**Step 03:** Enter your TU Delft email address and click on the blue arrow. Continue with **step 04** to convert your current Rhino account.

If you do not have a Rhino account, one will be automatically created. Continue with **step 07**.

**Step 04:** Click to sign in through the TU Delft environment.

**Step 05:** A message will appear asking you to join the TU Delft team. Click **Join Team**.

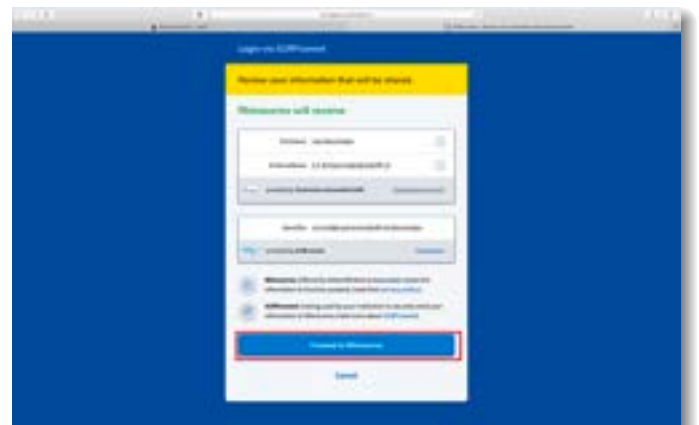

**Step 06:** Click **Link student.tudelft.nl Account**.

**Step 07:** Login using your **NetID** and **NetID password**.

**Step 08:** Click **Proceed to Rhinoceros**.

**Step 09:** Once you are logged in, click **Manage your license**.

**Step 10:** Click on **TU Delft University Student Licenses**.

**Step 11:** You should be able to see all the licenses of the TU Delft. In the next part we will install Rhino 8.

## Installing Rhino 8

**Step 12:** Log in to your Rhino account and click on the download link for Rhino 8. **If you don't have an account go back to step 1.**

**Step 13:** Check I agree to McNeel's Privacy Policy

**Step 14:** Click **Download Now**.

**Step 15:** Wait for the download to complete and run the ".dmg" file.

**Step 16:** Drag the Rhino icon to the Application folder to install.

**Step 17:** Rhino 8 will now install.

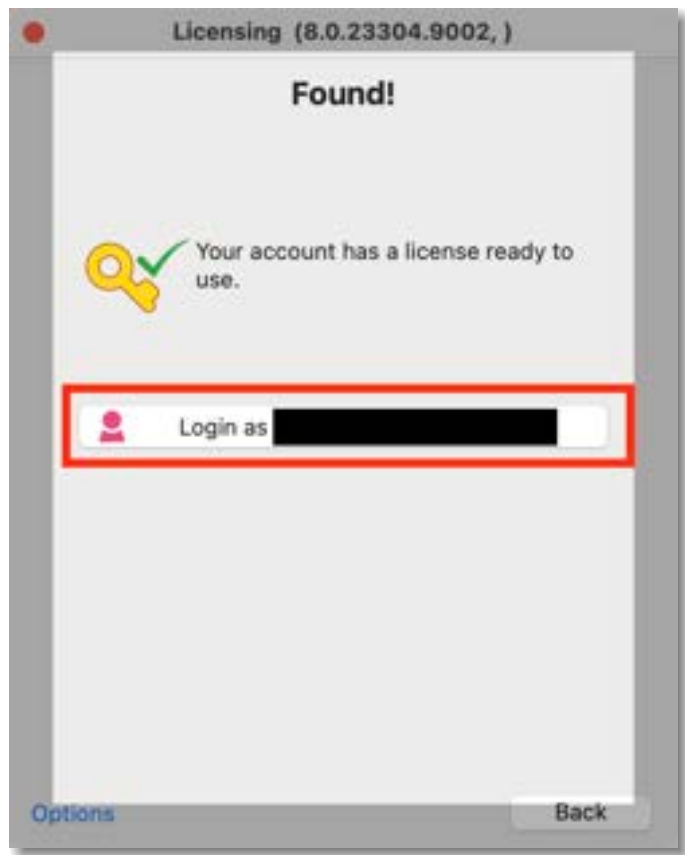

**Step 18:** If Rhino 8 didn't open by itself search for "Rhino 8" via Spotlight Search (Cmd + Spacebar) and open it. Click **Open**.

**Step 19:** Enter your TU Delft email address that you used in **Step 07**. Check "I have read and agree to:"

**Step 20:** The license was found. Click **Login as [your TUD mail]** to log in to your Rhino account.

**Step 21:** Login using your Rhino account. You need a Rhino account created with your TU Delft email address to make use of TU Delft licenses.

**Step 22:** Login using your **NetID** and **NetID password**.

**Step 23:** Login is completed now.

**Step 24:** Rhino 8 is now licensed through the TU Delft and ready to use.
