Educational access to Autodesk products

You can unlock educational access to Autodesk products from www.autodesk.com/education

Before you begin

The following instructions are supported by TU Delft and have been tested to be working. We are offering this manual to you as an extra service. In the event you have a different configuration or version of the OS to the one described here and you have problems, we advise you to contact your nearest Student IT Desk or the ICT Service Desk.

Prerequisites

In order to unlock educational access to Autodesk products you need to create an account with your TU Delft email address. Make sure to follow the instructions carefully to confirm your eligibility.

Requesting Autodesk educational access

Step 01: Go to www.autodesk.com/education and click on **Get products**.

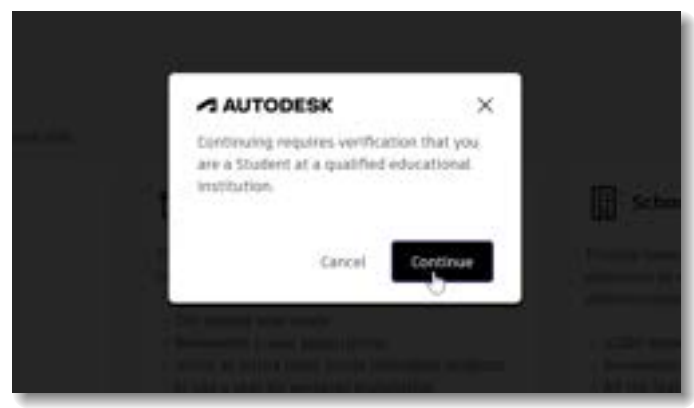

Step 02: Select any product to be directed to the Sign up options for Autodesk educational access.

Step 03: Select the student subscription plan if you do not have an active student license in Autodesk.

Step 04: Click **Continue** to verify your student license.

Step 05: Fill in the required personal information such as your TU Delft email address and click **continue**.

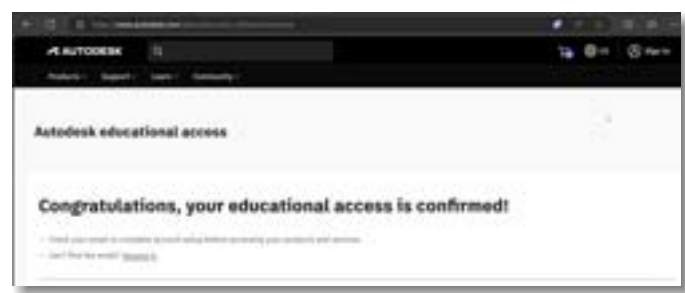

Step 06: Proceed to fill in information about your educational institution and click **continue**.

Step 07: Once you have completed the form, click **Submit** under Subscription summary.

Step 08: Congratulations, your educational access is confirmed! Check your email to complete account setup. *If you still have not received an email after 48 hours, contact Autodesk Support.*

Account verification and signing in

Step 09: Once you have received your verification email, click **Get products**.

Step 10: Before selecting any products, make sure to click **Sign in**.

Step 11: Enter your account information and click **Next** to Sign in. If your email address is not accepted, try typing in your username or your email address without *@student.tudelft.nl*.

Step 13: At the top, you will find the expiration date of your educational access. Keep this in mind, as you will need to renew it annually.

Step 12: Once you are all set up, you may now select the products you wish to download.

Step 14: You can find Software Installation Manuals for Autodesk applications on our website <https://adhok.bk.tudelft.nl/manuals/>
